

2019 WVMA SUMMER MEETING • JUNE 23 - 25, 2019 • DUBOIS, WY

Conference held at the
Headwaters Arts & Conference Center
20 Stalnaker St.
Dubois, WY 82513

FEATURED SPEAKERS

David G. Pugh, DVM, MS, MAG - Waverly, AL

Dr. Pugh will present on *External Parasites and Nutrition in Ruminants*. He is a Diplomate of the American College of Theriogenology, the American College of Veterinary Nutrition, and the American College of Veterinary Microbiology. Dr. Pugh has held faculty positions at the University of Georgia and Auburn University. He has received five university and five national awards for teaching and was the 2006 recipient of the UGA's AM Mills Award for contributions to Veterinary Medicine.

John Mattoon, DVM, DACVR - Pullman, WA

Dr. John Mattoon attended Oregon State and Washington State Universities, earning his DVM degree in 1984. Following 2 years in private practice, he entered a radiology residency at UC Davis, becoming an ACVR Diplomate in 1989. He has practiced private specialty radiology and been on faculty at UC Davis, Oregon State University, the Atlantic Veterinary College, The Ohio State University, and Washington State University, where he is currently a Professor. He has over 90 scientific publications and is co-editor of *Small Animal Diagnostic Ultrasound*.

Jennifer Schissler, DVM, MS, DACVD - Fort Collins, CO

Dr. Schissler is an Assistant Professor of Dermatology and Otolaryngology at Colorado State University. She graduated from CSU's professional veterinary medical program in 2005, completed a combined master's degree and dermatology residency at The Ohio State University, and became a diplomate of the American College of Veterinary Dermatology in 2009. She will present on *Canine staphylococcal pyoderma, The successful diet trial, Treatment of canine atopic dermatitis, and Otitis fun and fascination: case studies*.

Terence O'Neil, CPA, CVA - Indianapolis, IN

Mr. O'Neil is the partner-in-charge of Katz, Sapper & Miller's Veterinary Services Group and previous AVMA speaker. In addition to representing numerous veterinary medical practices over 30 years, Terry was previously the CFO for a group of eight veterinary practices and was a stakeholder in the business. Terry is responsible for managing the Veterinary Study Groups' database of veterinary hospital

financial data for over 400 hospitals. He will present on *Veterinary Hospital Trends, Key Performance Indicators and help you and your staff develop a Hospital Action Plan*.
